Professional Experience:

Boston College - Chestnut Hill, MA **Sep 2026 – Present**

Teaching Assistant, Money & Financial Markets / Impact of News on Financial Markets

- Instruct on interest rates, fixed income, monetary policy, market expectations, and economic indicators as a primary resource across two financial markets courses.
- Analyze how macroeconomic releases and geopolitical developments transmit into asset valuations and investor behavior, translating theory into live market cases for classroom discussion.

Westfield Bank - Springfield, MA **May – August 2026**

Bank Teller

- Processed and reconciled 100+ customer transactions daily with zero-variance drawer balancing, sustaining audit-level accuracy in high-volume cash operations.
- Applied Bank Secrecy Act (BSA), AML, and internal control protocols to every transaction, identifying and escalating irregular activity per federal regulatory standards.

Ameriprise Financial - Springfield, MA **May – August 2025**

Wealth Management Intern

- Partnered with a Vice President to build financial plans, modeling retirement, cashflow, and contribution scenarios and translating output into client-facing recommendations.
- Analyzed client financial statements, account documentation, and portfolio holdings, validating data integrity while upholding fiduciary confidentiality standards.

Leadership and Collegiate Activity:

Bloomberg Trading Desk Manager | Stonehill College **Oct 2025 – May 2026**

- Oversaw 25 student-managed portfolios representing $6.25M in tracked assets, producing performance attribution and compliance reporting.
- Executed and monitored 400+ multi-asset trades across equities, fixed income, commodities, and FX, using Bloomberg Terminal analytics for pre-trade screening and post-trade review.

Teaching Assistant, Fixed Income & Money and Banking | Stonehill College **Nov 2025 – May 2026**

- Instructed students on bond pricing, duration, holding period return, and interest rate risk; evaluated quantitative problem sets and led training on Bloomberg Terminal navigation and data retrieval.

Bloomberg Global Trading Challenge | Stonehill College **Oct 2025 – May 2026**

- Managed a $1M virtual multi-asset portfolio in a Bloomberg-hosted competition, performing equity screening, valuation, and portfolio optimization against risk and correlation constraints.

Certifications and Interests:

CFA Level I Candidate | Bloomberg Market Concepts | Python for Data Science | Excel Mastery (Meehan School of Business)

Interests: Weightlifting, golf, and distance running.
